What is a mission statement?

"The Walt Disney Company's mission is to be one of the world's leading producers and providers of entertainment and information, using its portfolio of brands to create the most creative, innovative, and profitable entertainment experiences and related products. Disney's mission centers on storytelling, innovation, and creating magical experiences that inspire and entertain people of all ages around the globe"

Which stakeholder groups will potentially view Disney's mission statement?

What are the benefits and limitations of Disney having a mission statement?

Practice exam questions

Morrisons' mission statement

We like to think there's more to Morrisons than just numbers. We're proud to be a business that still believes in values: human, ethical, and ecological.

Fresh attitudes and firm principles help make us what we are. Plenty of companies write mission statements, but at Morrisons the words mean something. We're one team all sharing the same vision, committed to pulling together, whilst respecting the differences that make each person different and special.

5

Explain how Morrisons may benefit from having a mission statement.

(4)

Knowledge 1 mark	Provide a benefit
Application 2 marks	Applying the answer to the business in the question. Not just a name drop, has to be about the product, the market, the objectives or the situation given. The answer needs to contain <u>TWO</u> different references to the extract evidence to receive both application marks.
Analysis 1 mark	Chain of reason, 'this means' or 'which means' or 'because' or 'therefore' which is logical and fully developed.

Patagonia's mission statement

"We're in business to save our home planet."

Staying true to our core values during 50 years in business has helped us create a business we are proud to run and work for. To stay in business for at least 50 more years, we must defend the place we all call home.

5

Patagonia grew out of a small American business that made tools for climbers. Mountain

Patagonia is known for its supply chain transparency. We have implemented fair labour practices throughout our supply chain. This includes paying fair wages to over 75,000 clothing factory employees, providing safe working conditions and ensuring environmental responsibility in 67 factories, farms and mills.

Assess the likely importance of the mission statement to Patagonia (12)

Define Key term:
